Name of Joseph Dixon is given as one of the early merchants (Black smith) in 1823 & then

---

The Dickson data - The Dickson - Creed records in City Cemetery (Martinsville, Ill), at the Terre Haute Library give all dates that I have . I am sure that Miss Crawford still has these records-if ~~I~~ numbered as I numbered them -page 13- names 5,6,7,8,9,10,11 - Mary Dickson m. John Creed

I gave Miss Crawford over 100 pages of old records that I copied for our D. A. R.

John and Mary(Dickson) Creed had two other daughters--Celia who married Ben Bennett had a daughter Lilian who married Dr. Forrest Hammond. Have no chuldren;live at Farina,Illinois.

Leona Creed m. Frank,Caspar-lives at Roy,Montana;has no children

~~Celia~~ I have no dates for Celia or Leona but they were born before 1869 for both were some years older than Minnie b. 1870.

Celia and Ben Bennett are both deceased--do not have dates but could get them ~~by~~ by driving to Westfield,Ill. to Richwood Cemetery.

There are no other descendants of Mary Dickson Creed. I do not know about her brother Henry who lived in Iowa.. Leona Caspar is scarcely able to write as she is about blind
